

WHAT CAN WAYNE ADULT ED DO FOR YOU?

We're not the GED anymore. Call 317.988.7975 for more info.

WHO DO WE SERVE?

Of course we can still help people who didn't finish high school, as we always have, but **NOW** we can also help high school *graduates*, whether they graduated last year or twenty years ago! We also continue to help immigrants and others who want to learn English. We're not just the GED anymore!

HOW CAN WE HELP?

We still help students to earn their high school equivalency (called the HSE now instead of GED), but we can *also* help students to earn nationally-recognized career certifications, whether they already have a diploma or not. We help anyone interested in a better career to get certified and work in competitive fields! The process starts the moment they walk in the door.

HOW MUCH DOES IT COST?

As always, we provide classes *absolutely free* to students...even career certification classes! We remove the barriers that stand in the way of a better future.

DO I HAVE TO BE IN WAYNE TOWNSHIP?

No! We serve students in Marion, Morgan, and Hendricks County. We have partners in Wayne Township, Mooresville, Plainfield, Avon, and Brownsburg.
