Program Overview: The WTAE-Career Training Plumbing Program trains students to work as an entry level plumbing pre-apprentice. The program teaches students industry terminology, about plumbing equipment and tools and how to design, install, repair and maintain piping systems such as soil, waste, vent, potable water, wastewater treatment, gas systems (medical, propane, and natural) in residential, commercial, industrial buildings and at utility sites. Students will also learn about the various opportunities in the different plumbing fields. Students have the opportunity to participate in an apprenticeship/work based learning opportunity during the course of this program. Employment placement opportunities are available to students after the completion of the program.

Certifications: PHCC (Pre-Apprentice) Certification Exam, WIN Essential Soft Skills, and OSHA-10 General Construction.

Program Requirements:

1. High School Diploma or High School Equivalency (GED/HSE)
2. Indiana Identification (driver's license / state ID)
3. Criminal Background Check
4. Drug Screening (10-Panel)
5. Authorization to work in the US
6. Clean driving record

Plumbing training will be required to complete a 16-hour field experience to be completed during the Break from class.
