

HVAC Technician Evening Classes at Area 31 Career Center for Fall Semester 2026

August 13 (Orientation 6-9PM) & August 24 through December 18, 2026

Program Partner: Area 31 Career Center and NCCER
Program Schedule: Monday, Tuesday, and Thursday; 6:00PM—9:30PM
Instructional Hours: 140 hours

Program Overview: The WTAE-Career Training HVAC Program trains students to work as an entry level HVAC technician. The program teaches how to install and troubleshoot commercial and residential HVAC systems. The course covers fundamentals of electricity, including electrical distribution systems, voltage circuits and low voltage controls. Fundamentals of refrigeration, pressure and temperature relationships and how to install, test and support a refrigeration system. Fundamentals of troubleshooting electric heat, gas furnaces, oil heating systems and heat pump systems. Students also receive hands-on practice with the latest tools and technologies that professionals are currently employing in the field. Employment placement opportunities are available to students after the completion of the program.

Additional Dates:

NCCER Bootcamp August 17, 18, and 20

Mastering the Art of the Interview Seminar September 23 6:00-8:00PM

Mandatory Field Experiences will take place during weeks 12-14.
